Leading Transformation with the
Curiosity Compass

Excellence Frameworks: Driving Institutional
Growth Through Measured Performance

Decision-Making Mastery: The Art
& Science of Confident Choices

Measurable strategies for Building
a Resilient Corporate Brand & Reputation

OVERVIEW

In today's environment of rapid change, senior leaders are tasked not just with managing complexity—but with leading transformation.

This 3-day masterclass equips executives with The Curiosity Compass, a battle-tested framework developed by Fenton Jagdeo to unlock innovation, navigate uncertainty, and build strategic clarity.

Grounded in real-world insights from Fenton's work with Fortune 500 companies, public sector organizations, and multi-billion-dollar initiatives like NEOM, this workshop is designed to move leaders from reaction to intention.

LEARNING OBJECTIVES

Participants will leave the masterclass able to:

1. Identify blind spots and rethink systems using the Curiosity Compass model
2. Lead innovation with clarity by spotting weak signals and hidden opportunities
3. Use scenario planning and reverse benchmarking to challenge assumptions
4. Move from large-scale disruption to small, bold, repeatable action
5. Build cultures of micro-innovation and strategic foresight

MASTERCLASS AGENDA

Day 1: Reframing the Future

- The real reason innovation fails
- Systems thinking for executives
- Introduction to The Curiosity Compass
- Case studies (Kodak, NEOM, AI disruption)

Day 2: Strategy Under Uncertainty

- Challenging assumptions & cognitive bias
- Designing "No Regrets" actions
- Foresight tools: Scenario planning + signal scanning
- Hands-on frameworks: Red teaming, reverse benchmarking

Day 3: From Insight to Action

- How to scale micro-innovation
- Organizational readiness mapping
- Leading teams through ambiguity
- Executive leadership Q&A and tailored feedback

OUTCOMES

By the end of the masterclass, participants will:

- Gain a repeatable framework for strategic innovation
- Build confidence in making high-stakes decisions under uncertainty
- Leave with actionable tools to lead transformation inside their organizations
